Questions/Certifications

1. Is this application for **Sanitary Sewage Service** only? YES NO
Answer **YES** if the property is already connected to the public sanitary sewer system and a new service connection is not required. If the answer is **YES** indicate the date that service is to be provided. _____ (Date)

2. Is this application for a **Sanitary Service Connection**? YES NO
Answer **YES** if this is a new property which has not had service in the past or for some other reason requires the installation of a new service connection. If the answer is **YES**, indicate the approximate date that your facilities will be ready to connect to the public sanitary sewer system. _____ (Date)

Indicate the date that service is to be provided, if different than the date of connection. _____ (Date)

3. Is the property to be served a single family dwelling? YES NO

4. If the answer to No. 3 above is **NO**, the applicant should complete **FORM B: "INFORMATION REQUIRED FROM NON-DOMESTIC DISCHARGERS"**. The applicant further agrees to provide the Township Engineer, Enforcement Officer, and /or other authorized Township representative, without charge, any construction drawings or additional information he/she may require in evaluating this application.

Township Ordinance requires a service initiation fee or service connection fee of NONE . Payment in this amount must accompany this application.

The applicant agrees to comply with all the terms and conditions outlined in the Township's Sewer Ordinances and any all other ordinances or regulations which set forth the rules and regulations governing sewage service.

The applicant agrees to be responsible for the sewage service charges at this location until a proper request for termination of service is received and accepted by the Township or a new application for sewage service is filed for this location transferring the responsibility for the charges to another party. The applicant also agrees to promptly notify the Township of any changes in his/her billing address.
